MONASH University

SYSTEMATIC AND SCOPING REVIEWS: CHALLENGES IN THE MIDST OF CHANGE

15 October 2026

Patrick Splawa-Neyman
Academic Services Librarian
Monash University

Challenges

#4
Learning about reviews in this environment

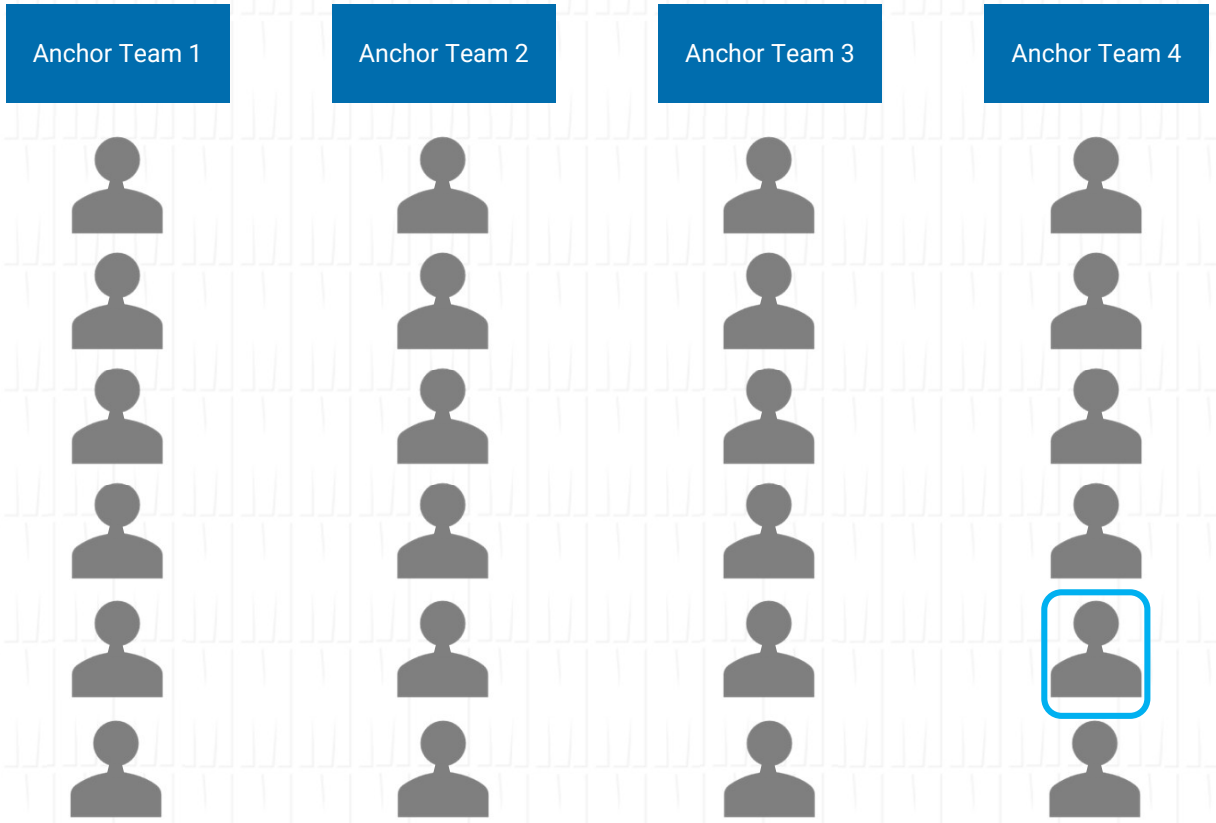

#1
Operational change from team realignment

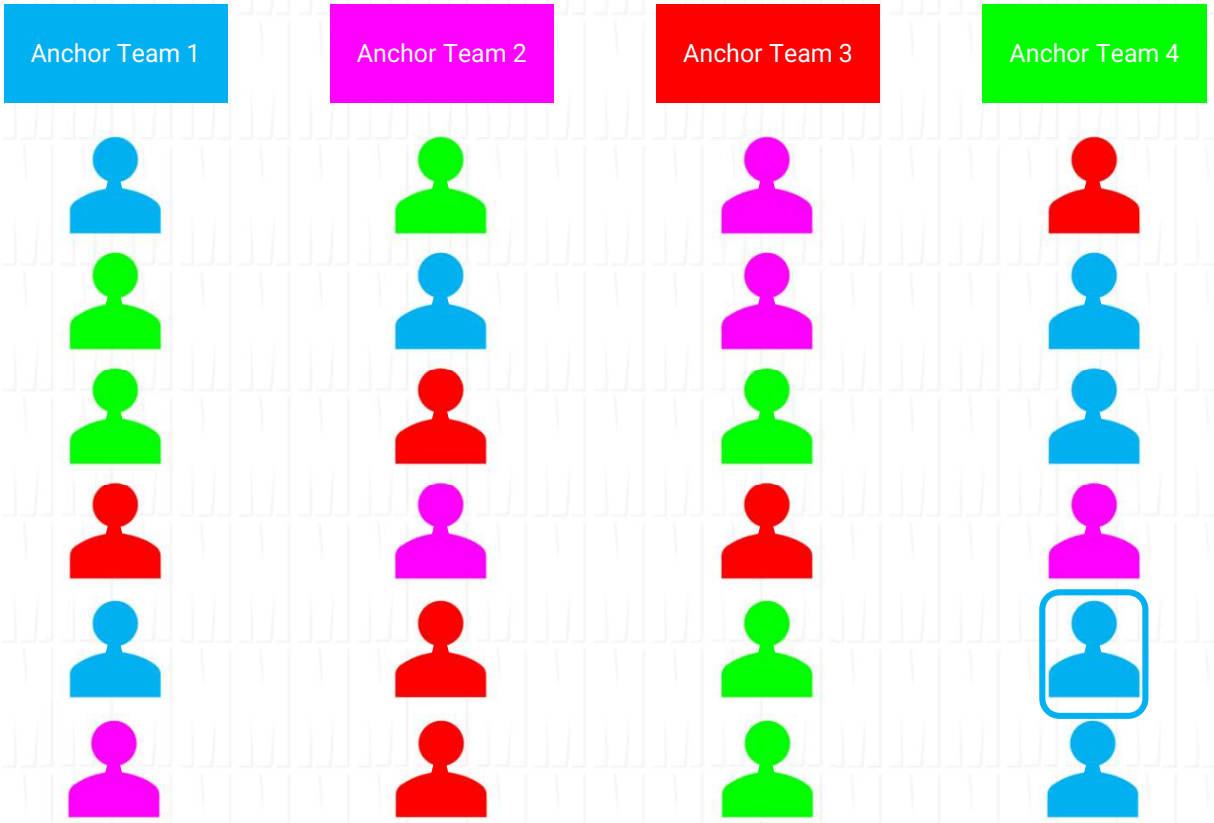

#3
Supporting multiple faculties

#2
Altered researcher and student engagement

Challenge 1 – Operational change

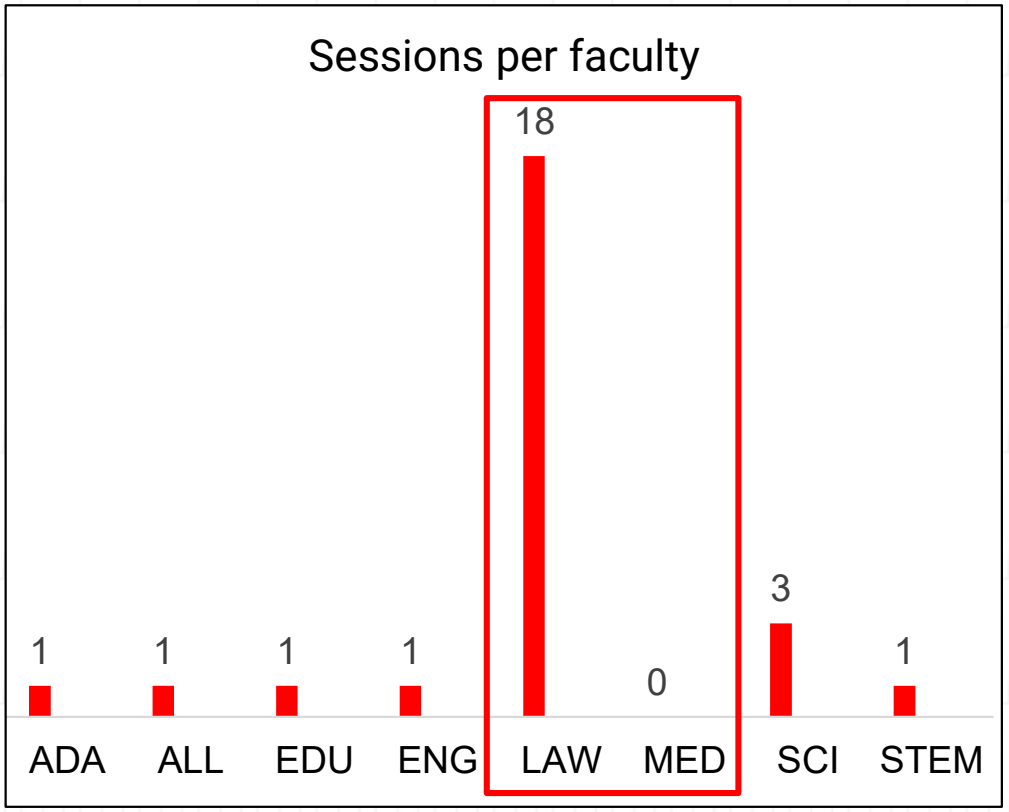

Challenge 1 – Operational change

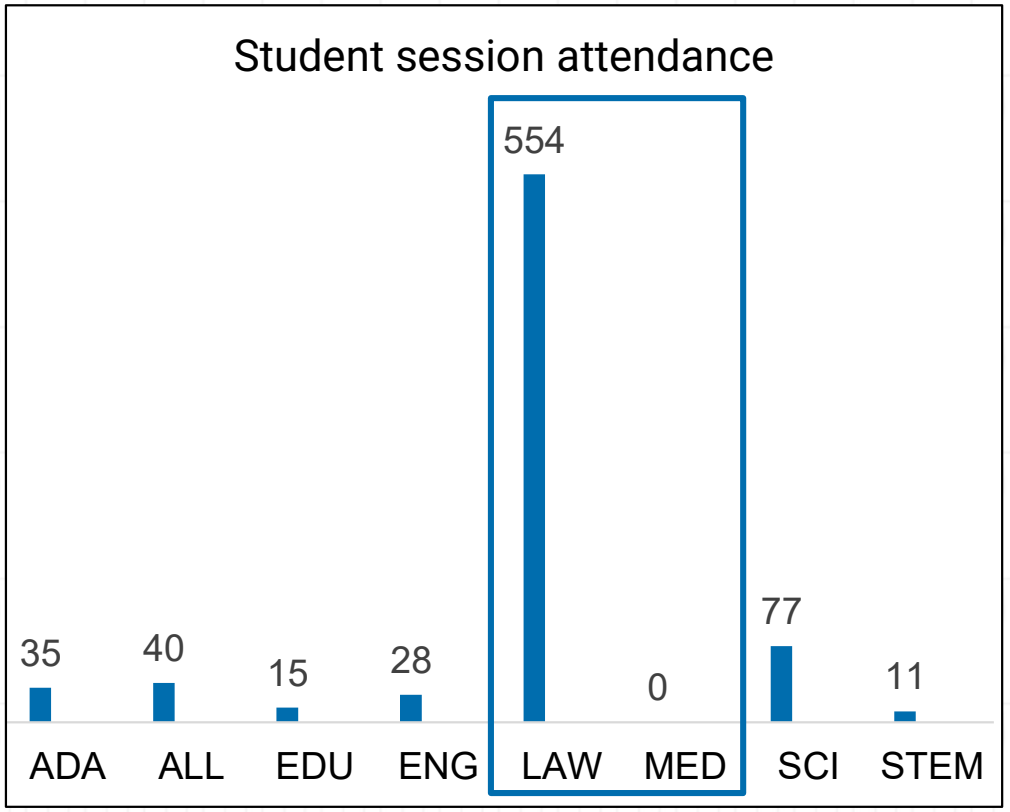

Support Team

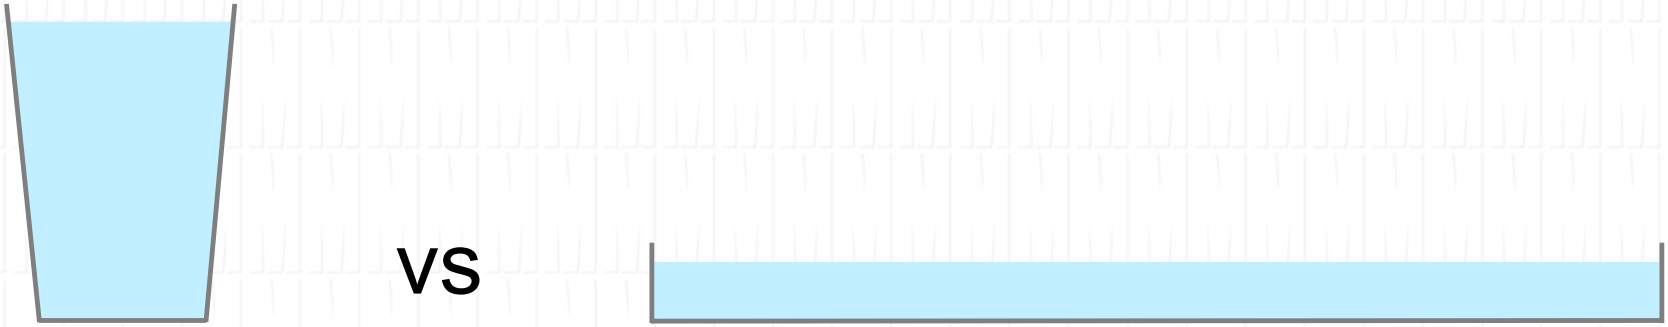

- Graduate Research
- Research
- Study and Learning
- Teaching

Challenge 2 – Reduced engagement

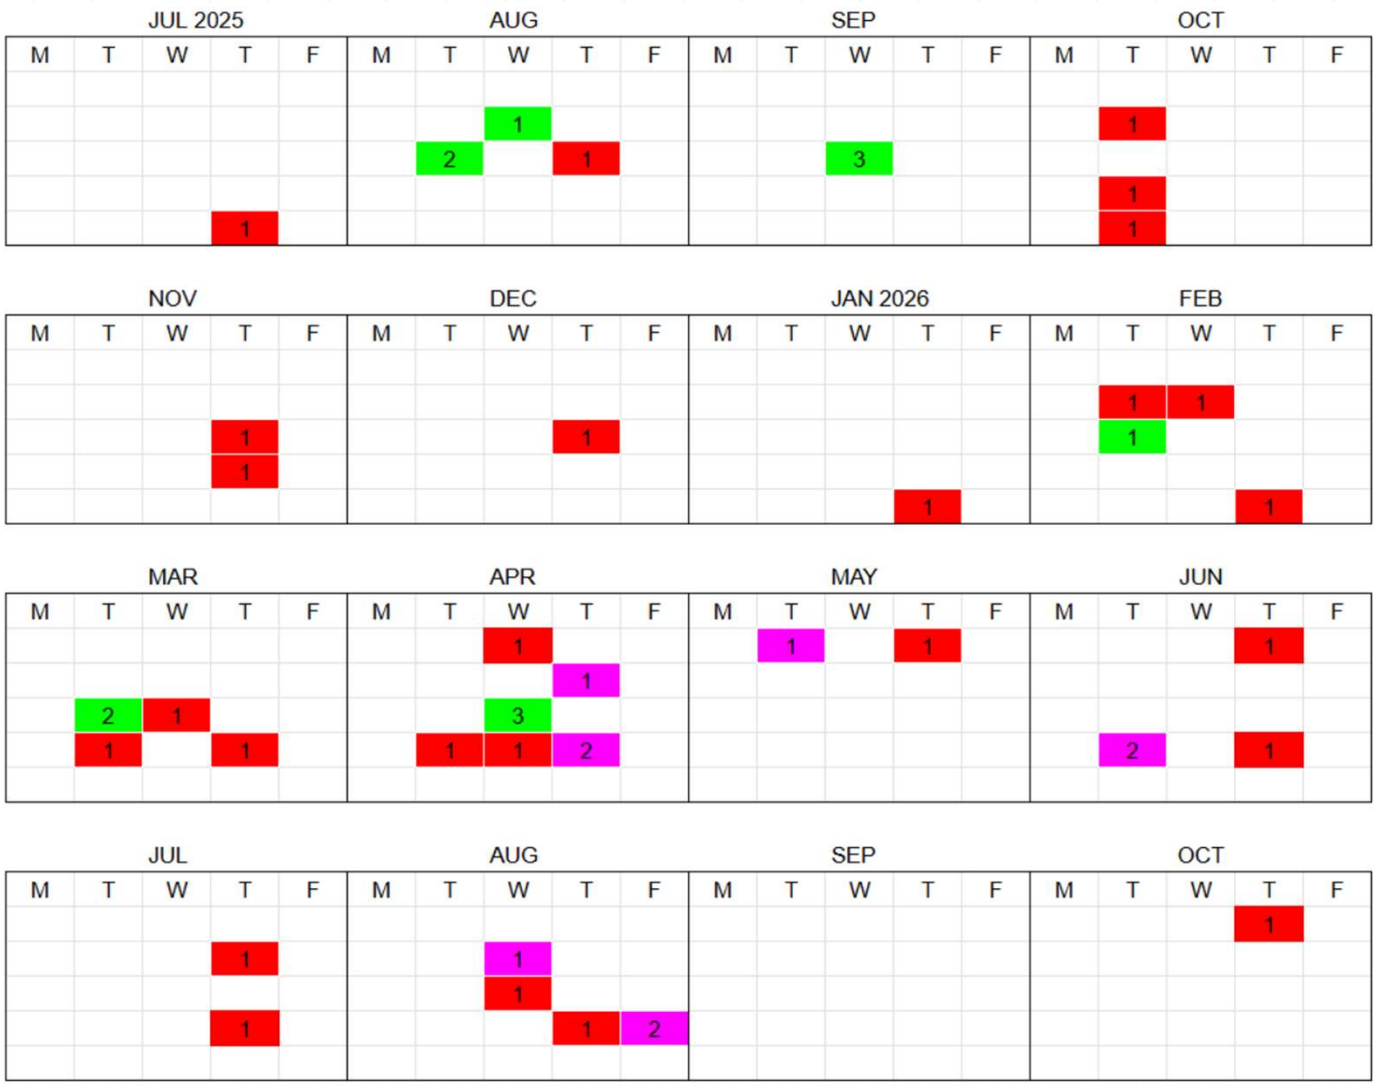

Challenge 3 – Supporting multiple faculties

“I feel thin, sort of stretched, like butter scraped over too much bread.”
- J. R. R. Tolkien, The Fellowship of the Ring

Challenge 4 – Learning about reviews

Lessons learned

- Solo self-directed learning is imperative
- Playing catch up requires intense effort
- Remnant team structures limit knowledge exchange
- More people doing consults = fewer consults & less learning time

THANK YOU
